

VENTURING INTO EXTENSIVE RESEARCH

Postgraduate Unit

Established under the State Ministry of Skills Development, Vocational Education, Research & Innovations, NSBM Green University offers a plethora of exciting and intellectually enhancing programmes through the Postgraduate and Professional Advancement Unit. The programmes offered by the unit are purpose-designed to create pathways for business professionals, government officials, and entrepreneurs to strengthen their professional potential, while inevitably enabling their organizations to attain sustainable growth. The programs offered by the unit extends across multi-disciplines namely, Business, Computing, Engineering, Language, and Design which are exceptionally delivered to the learning community by a well-versed panel of academics and industry experts.

The Faculty of Business currently offers the below courses.

- Postgraduate Diploma in Business Management (PGD-BM)
- Postgraduate Diploma in Human Resource Management (PGD-HRM)
- Master of Business Studies (MBS)
- Master of Business Administration (MBA)

Ensuring an all-rounded university experience, the courses available under the unit will ensure that participants are fully geared to meet the opportunities and challenges of the world beyond local grounds.

Postgraduate Diploma in Business Management / Postgraduate Diploma in Human Resource Management

Postgraduate Diploma in Business Management is a systematic and

a comprehensive programme specifically designed for the managerial and supervisory level executives in private and public sectors, who wish to pursue higher education in the area of advanced management studies. The foremost aim of the programme is to build knowledge, skills, attitudes of the participants and create an effective manager for the modern business world that will fulfill the managerial responsibilities using innovations.

Postgraduate Diploma in Human Resource Management is designed to provide in-depth knowledge in Human Resource Management along with an understanding about the foundation and strategic background of the discipline. Moreover, this programme will cover all the relevant subject areas such as Financial Management, Economics, and Information Technology, which are essential at the present time. There is an importance of having

HRM professionals since they are managing the most valuable resource in the business context and this programme is successful in fulfilling that duty to the nation by producing strong individuals with required qualifications.

Master of Business Studies (MBS) / Master of Business Administration (MBA)

Master of Business Administration is the highest academic qualification NSBM offers so far aiming to nurture and create high-quality professionals to the nation. The programme has five specializations: Operations, Managing People, Entrepreneurship, Tourism and Finance. The second year of the programme, in addition to the common year, consists of all required management related modules under the main gateway of Master of Business Studies (MBS)

In 2019, Postgraduate Diploma, MBS and MBA students visited NSBM's higher educational affiliate partner Victoria University of Melbourne which was one of the prestigious groups of eight universities in Australia for an educational tour.

The societal impact of the programme is always at its pinnacle as the programme is designed to add value not merely by producing capable managers but also most needed entrepreneurs and vital researchers to the society by cultivating the essential characteristics of innovative thinking, negotiating, technical expertise and leadership in graduates. Each year, the MBS and MBA programs are proud to create over 150 global postgraduates who are prepared with all of the necessary skills to serve the nation as well as the rest of the globe.

NSBM Postgraduate Life

Postgraduate life at NSBM is colourful, educational and entertaining; it is indeed another chance of enjoying the real essence of university life with the added prestige of reading for an advanced degree.

The programme entails residential workshops, foreign tours, outbound training programmes, and many more interesting sessions which provide several important take-home messages. These sessions are essentially developed to build an effective leader, and an innovative thinker who shall transform into an expert in managerial work.

Foreign Tours

This is a one-week programme that will be conducted in a foreign country on a selected theme of relevance to the postgraduate community. The study tour will consist of several components such as interactive workshops in a reputed foreign university, field visits and meetings with industry leaders. At the end of the study tour participants are required to submit a report on their learning outcomes.

In 2019, Postgraduate diploma, MBS and MBA students visited NSBM's higher educational affiliate partner Victoria University of Melbourne which was one of the prestigious groups of eight Universities in Australia for an educational tour. The tour integrated educational inspiration with excitement and fun, including exposure in terms of interactive meetings and a corporate visit.

Outbound Training

A training and facilitation methodology used to enhance the effectiveness and performance of postgraduate students through use of Experiential Learning Activities, Games, and Adult Learning Principles. It is mandatory for all the Masters-level students to participate in outbound training to enhance their managerial skills and competencies.

Guest Lectures

The PG Division conducts a series of guest lecture with the name "INTELLECT 1.0" for the students of MBA, MBS, and PG Diploma. The main purpose of the guest lecture series is to enhance the knowledge and skills of the students about current practical applications and to strengthen the practical aspects in the areas of Business Management. Some prestigious guest lecturers are Mr. Kishu Gomes – the award winning former CEO of Coca Cola Inc. and Caltex Chevron Lubricants Plc., Ms. Gayani De Alwis – former chairperson CILT / Management Consultant and lecturer / Board Member WCIC, Mr. Sarinda Unamboowe – CEO / Managing Director - MAS Kreedha and Mr. Dinethrius Perera – Senior General Manager – Toyota Lanka.

Residential Workshop on Communication

Communication is one of the most basic functions of management in any organization. Effective communication is required for constructing personal as well as business relationships. The programme plans to provide business communication skills by way of a residential workshop that is held at a venue outside Colombo. The workshop focuses on providing skills in writing and speaking processes, selecting communication choices for effective outcomes, written, visual, and oral presentations, critical and reflective thinking.

Post Graduate Research Journal and Research Symposium

The division has taken the first step to publish its first issue of Research Journal with its selected research papers through an internal moderation and review process, followed by a research symposium, as an extremely responsible unit with the goal of promoting and cultivating a research atmosphere among post graduate students.

Human Resource Day

Human Resource Day is an event organized by the MBA and MBS students of the Postgraduate Division, which will enhance their intellectual skills, abilities. This provides practical exposure to the students about the Human Resource Management discipline.

Community Services

Being a legitimate corporate citizen with an accurate understanding, the PG division never hesitates to extend its hand for CSR activities as well. The academic community of Post Graduate Diploma in Human Resource Management joined hands with the students of Master of Business Studies to donate fire extinguishers worth of LKR 200,000 to the Homagama, Nagoda and Kaluthara, Hospitals.

When the overall scope of activities conducted by the Postgraduate Division is considered so far, and when its strategic plan for the future is carefully reviewed, it could be safely inferred that the Postgraduate Division of the NSBM Green University will become one of the best postgraduate divisions in the country in coming years. ■
